Boris Suchan invited EWIC to a second meeting in Germany. The workshop was held at the University of Bochum and took place in the lecture room of the Veranstaltungszentrum. The three keynote speakers were Onur Güntürkün (Bochum), Lutz Jäncke (Zürich), and Ed Awh (Oregon).

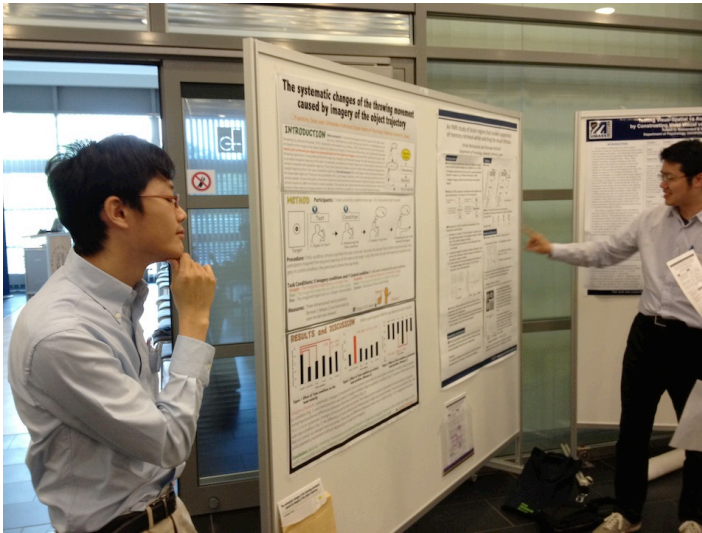

The logo of this thirteenth meeting nicely reflects the Europe-wide ambition of EWIC.

Again, follow the sign!

Japanese colleagues confirmed their dedication to this European scientific event!
