Back to Padua, thirty years after the second EWIC. The workshop was preceded by a Festschrift in honor of Cesare Cornoldi, who has been faithfully committed to a number of EWIC and ESCOP events.

Homage to an influential figure of Italian and international psychology.

This slide summarized the keywords of the vast range of domains covered by Cesare.

Entitled "From World to Mind: Images and Representations", this EWIC was accommodated in the splendid venue of the Botanical Garden of the University of Padua. The keynote speakers were Cesare Cornoldi (Padua), Daniel Schacter (Harvard), Cecilia Guariglia (Rome), Yann Coello (Lille).
